

# The Brave Little Fish

In the deep blue ocean, lived a little fish named Finny. Finny was curious and kind but also a little scared of swimming far from his coral home.

One day, all the fish were playing near the reef when a strong current carried a tiny seahorse away. The others were too afraid to go after it.

Finny saw the seahorse struggling and remembered what his mother said, "Courage means doing the right thing, even when you're scared."

So Finny swam with all his might, twisting and turning through the currents, until he reached the seahorse and brought it back safely.

All the ocean creatures cheered for brave little Finny!

Moral: Being brave means helping others, even when you're afraid.
